

TECH TIPS

Dixie Part Numbers: G-203

Applications: 1958 Ford 300
1958 Ford Custom 300
1958 Ford Fairlane,
1958 Ford Fairlane 500

Condition: Due to the age of this vehicle the technician may not be familiar with the terminal designations on the generator.

Cause: The insulated terminal marked as G is possibly misleading.

Correction: Attached is the electrical diagram for the above applications.
